2. Shri G. A. Rao has been appointed as an Asstt. Engr. (E. & M.) under the Bombay El. Grid on a starting pay of Rs. 340/- p.m. in the scale of Rs. 220-15-400-E.B.-25-650, vide G.R. No. 2378/48, dated the 28-4-51, Shri Rao had asked for a starting pay of Rs. 480/- p.m. at the time of his interview with the Commr. He now states that he is willing to accept a salary of Rs. 450/- p.m. The C.E., Bombay Electrical Grid has stated in this connection that he is not in favour of granting a higher starting pay to Shri Rao, as Asstt. Engrs. (E. & M.) in the Electrical Grid with the same seniority and experience are getting about the same pay offered to Shri Rao. The C.E., therefore, suggests that Shri Rao may be informed that the salary of Rs. 340/- p.m. offered by Govt. is basic and that it will carry dearness allowance plus C.L.A. and H.R.A. if he is posted at Bombay. Attention is also invited to para 3 of the C.E., Bombay Ele. Grid's letter at P-3-Page 63 of File No. 1928/48 II where in the C.E., B.E.G., has proposed posting Shri Rao in the post of Station Resident Engr. at Radhanagiri. Shri Rao may perhaps be informed as per draft put up for approval.

3. Please see Shri Rao's letter No at p. of the regarding his medical examination. He may be informed that he has to be examined by the Medical Board at Bombay and may be requested to get in touch with the-Supdt., J.J. Group, of Hospital at Bombay, and ask that Officer to fix a fresh date for his medical examination.

Shri G. A. Rao was appointed as an Asstt. Engr. (E. & M.) Bombay Electric Grid, on a starting pay of Rs. 340/- p.m. in the scale of Rs. 220-15-400-E.B.-20-500-E.B.-25-650. Shri Rao appeared for medical examination before the standing Medical Board, Bombay and was declared physically fit for Government service. Shri Rao is not, however, willing to join his apptt. in this Department on the initial salary offered him and has requested that the medical certificate issued in his favour by the Medical Board may be returned to him. The C.E., B.E.G., contends that, as Shri Rao has paid the necessary fees for the medical examination and is not willing to join his apptt. under this Government. The medical certificate can be returned to him. It may, however, be mentioned that the medical certificate is a Government document. It does not appear desirable to forward the same to Shri Rao. The P. & S.D. and the L.S.G. and P.H.D. may advise u.o.

" POLITICAL AND SERVICES DEPARTMENT 'D' BRANCH.

The view expressed by P.W.D. at 'A' of its note is correct. Shri Rao was placed before a Medical Board for the purpose of his employment under this Government and the certificate issued by the Medical Board was for that purpose and has been forwarded to Government. It becomes a Govt. document and it cannot be made over to Shri Rao. It is true that Shri Rao paid the prescribed fees for the medical exam. but this does not make the certificate his property. The arrangements for his exam. were made by Govt. and the certificate which was issued for a specific purpose has been forwarded to Govt. Shri Rao cannot therefore lay any claim to it. So far as P.W.D. is aware no other person had laid any claim to such a certificate and no other person has been given the certificate.

2. It is remembered in this connection that the question whether a copy of the medical certificate could be supplied to the person concerned was considered sometime back in consultation with LSG & PHD and it was held that a copy could be supplied. Attention however is invited to the Note below rule 18 in Appendix VII to the B.C.S. R., Vol. II according to which under no circumstance shall a candidate be entitled to a copy of a report or the detailed findings of a Medical Board. Presumably the scope of this note is restricted to the provisions of rule 18 viz., it is only when the Board disqualifies the candidate either temporarily or permanently that a copy of the certificate should not be supplied to the candidate concerned. F.D. on whose advice it is remembered it was held that copies of medical certificates could be supplied to the candidates may be requested to state whether the presumption is correct. If the presumption is correct, there would be no objection to supplying a copy of the certificate to Shri Rao.

Shri G.A. Rao, who was selected for the post of Asstt Engr., (E. & M.), B.E.G., by the B.P.S.C. but did not take up his apptt. for want of a higher starting pay, now requests H.E. to intervene in the matter.

2. The B.P.S.C. was requested to advertise 4 posts of Asstt. Engrs. (E. & M.) for the B.E.G.-Vide G.L.No. 2378/48-E (I), dated the 3-4-50. The Commission after interview recommended Shri Rao for one of the posts vide para 1. of their letter No. 744, dated the 16-11-50. The Comm. also stated that at Shri Rao had asked for a higher starting pay of Rs. 480/- (not Rs. 450/- as stated by Shri Rao) and that the Commission would leave the question of granting higher pay to the discretion of Government.

The question of giving Shri Rao a higher initial pay was accordingly taken up in consultation with the F.D. That Deptt. however agreed to grant Shri Rao Rs. 340/- p.m. as a starting pay - vide office note, dated the 18-4-51. Orders were accordingly issued in G.O. No. 2378/48, dated the 28-4-51, appointing Shri Rao as Asstt. Engr. (E. & M.), B.E.G., on a starting pay of Rs. 340/- p.m. Thereupon Shri Rao intimated that he had reviewed the whole case and he was willing to accept the minimum salary of Rs. 450/- p.m. The C.E., B.E.G., through whom Shri Rao had submitted his letter, however, stated that he was not in favour of granting any higher pay than what was offered to Shri Rao, as Asstt. Engr (E. & M.) in the Electrical Grid of Shri Rao's seniority and experience were getting about the same pay, viz. Rs. 340/- p.m. Accordingly on the C.E.'s suggestion Shri Rao was informed that he could not be granted a starting pay of Rs. 450/- p.m. but that he would get, besides the basic salary of Rs. 340/- p.m. D.A. of Rs. 70/- p.m. C.L.A. at Rs. 50/- p.m. and H.R.A. upto 15 % of the basic pay if he was posted in Bombay. To this he replied that it is usual for a candidate to expect increase in ~~seniority~~

emoluments on accepting a new situation, but that in this case he would be worse off for the change. He therefore requested Govt. to reconsider his case. His request was, however, negatived- vide Govt. Letter No. 2378/48 E, dated the 5-10-51.

3. Shri Rao now states that, believing that his case was being ~~favorably~~ favourably ~~considered~~ considered, he appeared for medical examination at Bombay. He further states that, had Govt. informed him in the first ~~instance~~ instance that higher pay could ~~not~~ not be granted, he would not have wasted hundreds of rupees and a week's casual leave in appearing ~~at~~ for the medical examination. In this connection it may be stated that replies to Shri Rao's letters were not delayed at all. Moreover, though Govt. did not accede to his request in toto he was given a higher initial pay, viz., Rs. 340/-, than the minimum of the Asstt. Engrs. scale which is Rs. 220/- in the scale of 220-15-400-E.B.-20-500-E.B.-25-650. He could have also refused to appear for the medical examination until the question of his pay was settled. The ~~present~~ arguments advanced by him are not therefore tenable and hence no reconsideration is ~~necy~~ necy.

4. As regards Shri Rao's assumption that Govt. has set aside his candidature because of the advertisement of the posts of Asstt. Engrs., it may be stated that the post, against which it was decided to appoint Shri Rao, has not been re-advertised vide para .2. of the U.O.R. from the C.E., B.E.G., at p. ante . Eight posts of Asstt. Engrs. have been advertised by the B.P.S.C., but these are different ones.

5. In the circumstances it is for consideration whether Shri Rao may be informed that if he still desires, he can be taken up as Asstt. Engr. (E. & M.) in the B.E.G., but no higher basic pay than Rs. 340/- p.m. can be given him. If this view is approved, the C.E., B.E.G., may perhaps be shown these papers u.o., before the necy. draft is put up.
